

The IWU app is an application dedicated to the students and visitors of IWU to bring you the most relevant online resources that our campus has to provide.

It is our mission to provide an application that is dedicated to help students and visitors of IWU access the most relevant online resources that our campus has to provide.

It is our mission to help both students and visitors alike to be able to access the most useful online resources that our school has to provide in order to enhance the quality of every individual's IWU experience.

It is our intent to enhance the IWU experience of every individual on this campus by providing both useful and helpful information through our application.
